In St. Louis the other day 170,000 muskrat furs sold at prices 40 per cent higher than was paid for similar furs last February. This may be taken as an indication of the general improvement in business, or at least a feeling on the part of the fur dealers that safer business times are ahead.

The local building association is said to have many more applications for loans than it can meet. Possibly the solution for the puzzling problem of securing more houses in Jacksonville may be by interesting citizens in making investments thru this company and thus providing the means for building new homes.

In Lake county the average salary paid the teachers last year was \$1,427, and in Pope county during the same period the salary average was \$496. One county is in the extreme northern part of the state and the other is away down south. The value placed on educational work in the two widely separated counties is just about as the figures read.

Now after so much has been written and said about the sale of the wooden ships at \$2100 per, it seems that the sale was not actu-

ally made. The legal department of the shipping board does not consider the tentative contract as binding and now an effort will be made to sell the ships at a higher price. Perhaps the field of bidders will be larger at this time.

One of the biggest of the agricultural implement manufacturing firms has made another sharp cut in prices. This is the second within two months' time. So the levels will soon be reached which will put an end to the farmers' strike on buying.

With such big drops in the prices of farm products by comparison with a year ago the farmer has refrained from buying implements except in cases of dire necessity, claiming that the prices asked were not fair, since all that he had to sell had been so much reduced.

The Illinois state commerce commission has within recent weeks ordered several freight reductions, altho the Interstate commerce commission insists that no state body has such authority. The people will be less interested in the question of authority than they are in the results that come from the orders. If freights are actually reduced and something more can be done in this same line, business conditions will improve.

This does not mean that railroad rates should be cut to the pre-war basis, but certainly the present schedules are out of reason, and in some instances account for the low prices that are offered producers for their goods.

The FAITHFUL FEW

If you will consider most of the public and philanthropic enterprises that have had place in the life of Jacksonville in the past few years you will find just about the same people doing the necessary work of leadership. Each enterprise has its small group of persons particularly interested, but the number of persons who engage actively in work for these various enterprises is not large.

The situation here is duplicated in practically every other city. That is a fact that caused the editor of the Quincy Herald to write the other day on the theme of "The Faithful Few." In this somewhat lengthy article the Herald editor expressed these sentiments:

"What would Quincy do if it

wouldn't be for "Quincy's Faithful Few."

What would Quincy have done without them during the war? What would have become of all the war work drives without these faithful citizens? It is true that in those days men and women worked for unselfish causes who had never worked before. In spite of that fact, however, the faithful few were always in evidence on committees, and in the hard and grueling work of raising money.

"Since the war the faithful few have carried the burden of the work in all civic enterprises. 'Have you ever examined the list of members of the boards of directors of the various institutions of this city? Have you ever noticed the interlocking directorates? It is rare indeed that a man will be found to serve as a director of any of these charitable or semi-charitable organizations in Quincy who has not already been put into service on the board of one or more other institutions. His willingness to serve has been capitalized by several of the agencies which work for the community's uplift. He becomes one of Quincy's faithful few.'"

Funerals

Brown.

The funeral services for Joseph A. Brown were held at the Reynolds Chapel yesterday afternoon at 3 o'clock with Rev. W. H. Marbach of State Street Presbyterian church officiating. Interment was made in Diamond Grove Cemetery.

The pallbearers were Dr. W. P. Duncan, E. M. Henderson, H. L. Hall, John Cherry, Julius Strawn, and G. H. Kopperl.

Rev. Mr. Marbach read two hymns, offered a prayer and read several passages of scripture that breathed promise.

Rev. Mr. Marbach used as the basis for his remarks the beautiful, "Blessed are they that mourn for they shall be comforted." He said that to those who serve there is the comfort that comes from memories that have been hallowed by association. "It has been the experience of many that in the time of sorrow strength is given them to bear the new burdens. Sorrow has its relationship also to the future, for it often turns the thought toward the coming day and inspires with a new hope. The Christian's hope of immortality carries with it the most certain balm for those whose hearts are laden with grief.

EASTERN STAR CONVENTION

PHI ALPHA SOCIETY GAVE GOOD PROGRAM

The Phi Alpha Literary society of the Illinois College held the regular meeting last night with a good attendance. An enjoyable program was presented as follows:

Essayist—Ivie, "A Few Questions."

Declaimer—Hatfield, "The Conqueror."

Orator—Harney, "Reclamation."

Select reader—Headen, "Nature and the Use of Art."

Extemporizer—Dolbow, "The Fruit of Film Life."

Impromptu—Reid, "The State Militia"; Rodgers, "Prospects of the Football Team"; Giberson, "Flickering Thru the West"; Pinkerton, "The Future Illinois College Band."

After the above program had been rendered the following question was debated: "Resolved, That the Nations of the World Should Enter Into an Agreement to Limit Armament." The affirmative was upheld by Frisch and Reid, the negative by E. Miller and LaRue. The judges awarded the decision to the affirmative. The merits of the question did not go with the decision.

Leo Connolly and George Govett were taken into membership of the society. Owing to the non-return of several officers the following men were elected to fill vacancies, Secretary, Giberson; Treasurer, Cathoun; Critic, Weaver; Librarian, Grun; Prudential committee, Reid, and Junior member of the Steering committee, Gunn.

LEO FLOOD WINS

FROM A. R. GREGORY

Plays Heady Match and Wins Way to Finals—Games Scheduled for Today.

Leo Flood won his match in the semi-finals of the city golf championship tournament yesterday afternoon defeating Dr. A. R. Gregory 4 up 2 to play. Over two hundred golf fans trailed the players over the Nichols Park course which has been put in ideal condition for the championship contest. The play Friday was the closest and most spectacular of any so far. In face of the hardest luck that could possibly befall any player Flood tagged an exhibition of heady golf that places the championship within his grasp.

Gregory won the first hole. The next two were halved in three, Flood winning the long fourth and fifth holes. Gregory failed to hole out his sixth. The 252 yard sixth was halved leaving Flood up. Gregory's drive on number seven was 200 yards straight down the fairway. Flood pulled his drive into the roadway. From a bad lie he dubbed his shot and was still in the rough. On his way out Leo failed to observe traffic regulations and drove thru the windshield of a Ford sedan on his right. Flood's ball lay on the floor of the car and the officials had a hard decision as to whether the ball should be replayed or take advantage of the owner's offer to drive the car to seventh green and permit the play to be completed. Flood conceded the hole and the match was even.

The eighth hole was halved and Flood won the ninth with a birdie 3. The match was finished on the sixteenth hole with Flood up. By winning the match Leo Flood will meet Osborn or Hamm for the city championship Sunday. The morning round will begin at nine o'clock and the afternoon match will begin at two.

In the other matches the results follow:

Randall won from Wanamaker.

McMurphy won from Babb.

English won from Copp by default.

R. Y. Rowe won from Charles Capps.

C. J. Wright won from Felix Farrell, Jr.

T. A. Chapin won from English.

Foley won from Mitchell by default.

C. Y. Rowe won from Fred Gregory.

ZEAL FOR LEARNING SHOWN IN FIGURES

Large Percentage of Last Year's High School Class Going on With Educational Work

Supt. Perrin of the Jacksonville schools recently made public an analysis of the graduating class of the Jacksonville high school of 1921 to show what percentage of the class has gone on in educational work. These figures show that out of the 71 of last year's graduates that 46 per cent are now in advanced schools. The figures are gratifying because the percentage is high, when taken into consideration with graduating classes as a whole, not only in this city but generally speaking.

For years past it has been the effort of certain educational organizations to encourage the young people who finish the high schools to go on with their educational training. A definite effort has been made to impress high school graduates that finishing a course in such an institution by no means completed their education, and that if they wished to have the best equipment for the duties of mature life that they could make no better investment than to take college training.

Locally this effort has brought forth fruit and the figures which Mr. Perrin has compiled represent a condition in this community which is highly creditable. The figures to which Mr. Perrin has called attention are as follows:

Total number graduates.....71  
Attending college.....33  
Teaching.....9  
Working in Jacksonville.....12  
Working elsewhere.....6  
Married.....1  
At home.....4  
Not located.....6

**WELL KNOWN ARTISTS**

**WILL GIVE RECITAL**  
Miss Vera Barstow, Violinist, Miss Amy Ellerman, Contralto and Mr. Calvin Cox, Tenor, will be heard in recital at Northminster church, on the evening of Wednesday October 5th at 8:15 p. m.

The announcement of this unusual combination of artists should come as an agreeable surprise to the music lovers of Jacksonville. Each member of the organization is a capable artist and the combination of three in one concert is meeting with universal praise from Press and Public.

Miss Barstow, the charming young violinist, is in the height of her career. At her New York recital recently, Max Smith, in the New York Press wrote, "Miss Barstow is unquestionably one of the most talented women violinists now before the public."

Miss Ellerman, with an unusual large voice of wonderful quality, is enjoying the most successful season of her career, while Mr. Cox, the tenor, never fails to please the audience.

Admittance to the Recital will be by card only which may be secured from Brady Brothers.

## ALEXANDER S. S. CLASS ENTERTAINS

Women's Bible Class of M. E. Church Gives Social for Sunday School—Other Alexander News

Alexander, Sept. 30.—The Women's Bible class of the M. E. church entertained the entire Sunday school Friday evening in the church parlors. A brief program was carried out in the early evening and later some time was spent socially. The serving of delicious refreshments was a feature of the evening. Miss Anna Saylor is the teacher of the class and Mrs. C. E. Keenan is president. The organization is one of the most wide awake in the community and the members all take a keen interest in the class activities.

Mr. and Mrs. George LaRue of Jacksonville spent Friday at the home of E. J. Kumle and family.

Miss Anna Colwell is visiting at the home of Mrs. Joseph Ryman at Arcadia.

Miss Esther Mason of Kansas City is a guest at the home of E. J. Kumle.

A daughter was born Thursday at Passavant hospital to Mr. and Mrs. Charles Drury. The young lady has been named Jean.

**BEST SHOW IN TOWN**  
AT THE RIALTO

Manager Buckthorpe of the Rialto is going to run what he calls "The Best Show in Town" all next week. Mr. Buckthorpe says that all this talk about business depression is a state of mind and to prove his contention he is going to run three of the most expensive pictures procurable.

"When all or most all the motion picture exhibitors in the country are retrenching in the time to come into the foreground with a big show," said Mr. Buckthorpe. "If it really is true that people are not spending their money the way they have been the

coming of the new "Peck's Bad Boy" which has been entirely rewritten and set to music by Charles W. Benner, who has no end of success to his credit. The situations are laid in and around Shultz's Grocery Store and are funny to the extreme, as the clever comedians never let an opportunity pass to create laughter and the pretty girls go to make the picture complete. Dobbie Caprice has been especially engaged for the title role and is capably supported by a well selected company of fun makers. The attraction is booked to appear at the Grand Monday, Matinee and Night, Oct. 3.

CLEVELAND WINS THRILLING BATTLE

Was Duel Between Faber and Covaleskie—Indians Bunched Hits for All Their Runs in Fifth Inning.

CHICAGO, Sept. 30.—The Cleveland Indians fighting desperately today to retain their place in the American League pennant race, refused to bow to the pitching prowess of "Red" Faber, pitching star of the White Sox and batted out a 3 to 2 victory.

The game was a thrilling pitching duel between Stanley Covaleskie, ace of Cleveland staff and Faber, who was attempting to win his twenty-sixth victory of the season. Covaleskie was unsteady at the start and Chicago got away to a one run lead in the first inning. After two men were out Collins singled to center and Hooper followed with a single to right and Collins scored when Sheely singled to center.

Covaleskie settled down and was given sensational support in the next two innings, but in the fourth he lost control and Hooper was passed. Sheely worked him for a count of 3 and 2, then hit to left for two bases, scoring Hooper. A quick double play by Gardner and Sewell and Mulligan's fly to Gardner ended the inning.

Faber pitched invincible ball until the fifth when the Indians got the range. Gardner opened with a single and Sewell followed with another safe hit. Burns fanned and Faber walked O'Neill, filling the bases. Covaleskie's long fly to Hooper scored Gardner after the catch. Jamieson's single to right scored Sewell and when Wambagans singled to center O'Neill counted. Faber held Cleveland to seven hits, four of which were made by Jamieson who had a perfect average.

Score. Cleveland, 000 030 000—3 7 1 Chicago, 100 100 000—2 7 0 Covaleskie and O'Neill; Faber and Schalk.

WESLEYAN DEFEATS EASTERN NORMAL

Overwhelms Opponent by Score of 74 to 3—Housler and Zinser Principal Ground Gainers

BLOOMINGTON, Ill., Sept. 30.—Illinois Wesleyan opened its first season since the re-organization of its athletic department by an overwhelming victory over Eastern Illinois Normal from Charleston, the score being 74 to 3. Weeks of grueling practice by Wesleyan's squad under Coach "Dy" Wimberly showed its results in the almost mid-season game in which the Methodists played, outclassing the Eastern Illinois teachers in every department of the game.

Wesleyan made two touchdowns in the first five minutes of play and three touchdowns by the same team featured the last six minutes.

Hausler and Zinser were the main ground gainers for Wesleyan.

Charleston made its only points by a goal kick from the fifteen yard line by Wilson.

J. H. S. PLAYS PITTSFIELD TODAY

The Jacksonville High school football team will meet the Pittsfield eleven at Pittsfield this afternoon for the second game of the season.

The local team has put in a week of hard practice since the defeat at Hannibal last Saturday and expects to come home victorious.

The loss of several of several of Pittsfield's first team men thru injuries is also another factor in favor of Jacksonville.

Pittsfield is game however and is doing everything in its power to get ready for the contest. Electric lights have been installed in the courthouse yard there and the team practices at night. The American Legion team has been given the needed opposition for practice and recently played a tie game with them.

HOMER H. POTTER GIVEN RESPONSIBLE POSITION

Homer H. Potter has recently resigned his position with the bond department of the National Bank of Commerce of St. Louis, to take a position of larger responsibility with the First National Co. of Chicago. This company is the bond department for the First Old Detroit National Bank and Central Savings bank, both of Detroit. This means that the same interests own the two banks and the First National Co. and their statements shows resources of more than \$107,000,000.

C. A. Nyman, who several years ago served as vice president of Illinois Woman's college, is in charge of the Chicago offices of the National Co. and has made a distinct success of the business. It was largely because of his friendship with Mr. Potter that the Jacksonville man has decided to go to the First National Co.

As already indicated the position Mr. Potter is taking means larger responsibilities and a decided increase in salary. For the present at least his family will continue to live in Jacksonville and while his headquarters will be in Chicago he will make frequent visits here.

NO PICNIC AT NORTONVILLE

It was announced recently that a good roads booster picnic would be held at Nortonville on Tuesday, Oct. 4. It was stated yesterday by a resident of the Nortonville community that this announcement was in error and that no picnic is scheduled for that date in Nortonville.

WESTERN CONFERENCE SEASON OPENS TODAY

Chicago Meets Northwestern on Stag Field and Will Give Coach an Idea of What Strength He Will Be Able to Develop for the Princeton Game—Illinois Only Team Not Getting Into Action.

CHICAGO, Sept. 30.—The Western conference football season will open tomorrow with Chicago and Northwestern playing the intra-conference game of the day and seven other eleven facing non-conference teams in preliminary games. Illinois, runner-up in last year's race, is the only team not going into action.

The Chicago Northwestern game at Stag Field here will be the first hurdle for Coach Alonzo Stagg's untied Maroon eleven and will give the Chicago University athletic director an idea of what strength he will be able to develop for the inter-sectional game with Princeton later in the season.

Northwestern is considered weak because of its 7 to 0 defeat last Saturday by Beloit College, a minor institution in the athletic realm.

Michigan and Wisconsin, looked upon in pre-season predictions as two of the strongest conference teams, meet Mt. Union and Lawrence College respectively, while Ohio State, last year's champion, will exchange thuds with Ohio Wesleyan at Columbus. Minnesota will try out its reconstructed eleven against North Dakota, while the other contests will first Iowa against Knox, Purdue facing Wabash and Indiana meeting Kalamazoo.

FRANKLIN TEAM WINS FROM MURRAYVILLE

First Basketball Game of Season at Franklin is a Victory for Local Boys.

Franklin, Sept. 30.—The first basketball game of the season was played Friday evening between the Franklin high school team and the players from the Murrayville high. The game was played at Marquette hall and was witnessed by a large and enthusiastic crowd. Coach Harmon, whose home is in southern Indiana, is Franklin's new coach and he is planning an especially active season in athletics for the high school. The fact that the local team made such a good showing in the opening game is due quite largely to the training of the new coach.

The Murrayville team is a very strong aggregation and they played a very good game. However, they were unable to win from the local boys, the score when the game ended being 31 to 21 in favor of Franklin.

MANY EASTERN TEAMS GET INTO ACTION TODAY

Among the Important Teams to Play Their First Game are Cornell, Princeton, Army, Navy and Columbia. Harvard, Holy Cross and Army-North Carolina State Should Be Hard Games.

NEW YORK, Sept. 30.—Nearly one hundred eastern college football teams will take part in games scheduled tomorrow. The majority will be making their 1921 debut and because of the caliber of the opposition something definite in the way of seasonal strength is expected.

Among the more important teams to play their initial contests are Cornell, Princeton, Army, Navy and Columbia. Yale, Harvard, Pennsylvania, Syracuse, Pittsburgh and Dartmouth will appear in their second contests of the season.

If precedents, set a year ago hold good, Harvard and the Navy are likely to figure in two of the hardest games of the day. The Crimson meets Holy Cross, which held the Cambridge combination to a field goal twelve months ago. Annapolis faces North Carolina State, whose eleven caused the first upset of the 1920 season by defeating the middies 14 to 7.

Princeton is expected to get an impressive early start in its contest with Swarthmore. At West Point the army will inaugurate the season with a double header against New Hampshire and Springfield. The former team is more or less of an unknown quantity but Springfield promises trouble for the cadets. Yale has Vermont for the second game at New Haven and is likely to find the visitors well prepared for an interesting struggle.

Pittsburgh plays Lafayette which on the strength of the score against Muhlenberg, is likely to extend the Panthers to a considerable extent if Glenn Warner's eleven is to win decisively.

Two inter-sectional games also appear on the day's gridiron card in the Maryland-Rutgers game and the Syracuse-Ohio University contest. Ohio University should not, however, be confused with Ohio State, winner of the western conference championship in 1920.

LEGION MEN TO KANSAS CITY

Fraser Conboy and Robert Brees, members of the Alexandria, Ind. American Legion post, were in the city on their way to the national convention in Kansas City, Mo. They are making the trip, on foot and their slogan is "Kansas City or Bust." They are making the trip as the result of a wager with a wealthy citizen of their town who was skeptical regarding the nation wide scope of the American Legion. In trying to get him to donate to a community house, it was stated that any two members in Alexandria could start from there and get to the national convention depending largely upon the help of the various legion posts along the way. The result of the argument was that \$500 was wagered and these two men are making the trip.

They appeared on the stage of the Grand Opera House last evening for a few minutes and spoke on the American Legion.

## RAILS ONLY ISSUE

TO SHOW FIRMNESS  
By Associated Press.

NEW YORK, Sept. 30.—The  
stock market today forfeited con-  
siderable part of its recent gain  
leaders reacting 1 to 3 points to  
profit-taking, renewal of short  
commitments and tighter money  
rates.

Finished dealings again cen-  
tered in the more prominent is-  
sues comprising the oil, steel,  
equipment and metal groups. Mo-  
tors and subsidiaries and food  
specialties trailed along at more  
moderate fluctuations. Rails  
were the only issues to faint in a  
semblance of firmness being sus-  
tained largely by the further  
publication of favorable earnings.  
Lehigh Valley was most active at  
a net gain of almost three points  
in connection with the prospective  
segregation of the company's  
coal properties.

British, French and Belgian ex-  
changes strengthened in response  
to higher quotations from Lon-  
don, the German rate also making  
further recovery from its recent  
collapse. Italian bills continued  
their downward course, however,  
the lire declining to a fraction  
under four cents.

Trading in Liberty and Victory  
issues again featured the bond  
market, but no new records were  
made. Total sales, par value,  
were \$15,650,000.

## PRICE OF WHEAT

DECLINES FRIDAY  
By Associated Press.

CHICAGO, Sept. 30.—Predic-  
tions of enlarged receipts in the  
northwest next week had a good  
deal to do with making wheat  
prices decline today. The market  
closed heavy 1 1/2 to 2 1/2c net lower,  
with December \$1.20 1/2 to \$1.20 1/2  
and May \$1.25 1/2 to \$1.25 1/2. Corn  
lost 1c to 1 1/2c, and oats 1 to 1 1/2c  
in provisions the outcome varied  
from 15c decline to 10c advance.

It was said that the consi-  
derable notices of wheat due to ar-  
rive at northwestern terminals  
were of greater volume than any  
previous time this season. From  
this circumstance, bears drew the  
inference that spring wheat farm-  
ers showing a disposition to mar-  
ket their surplus without delay  
notwithstanding government fi-  
nances available to carry the  
grain if so desired.

Furthermore, bears contended  
that from poor foreign demand  
and from reported offers of resale  
it would seem the heavy exports  
of United States wheat during  
July and August were acting at  
present as a boomering on prices.

The market scored a rally after  
midday on account of covering  
by shorts but when demand from  
this source had been satisfied,  
wakened again and closed near  
the bottom level of the session.

Corn and oats, like wheat were  
without any aggressive support.  
September delivery of corn fell to  
the lowest price in 18 years.

Higher quotations on hogs gave  
some firmness to provisions.

## THE PILGRIM LEGION HOLDS

FIRST ANNUAL BANQUET  
A unique four course banquet  
was served to the members of the  
Pilgrim Legion last night at the  
Congregational church. The Pil-  
grim Legion is an organization  
composed of those members of the  
church school of the Junior, In-  
termediate and High school de-  
partments who during the past  
year have attained a grade of 90  
per cent or above in their work.  
This grade is based on attendance,  
home work, class work and  
church attendance. The menu  
was as follows: Plymouth Cock-  
tail, Standish meat, Bradford po-  
tatoes, Mayflower rolls, Winslow  
beverage, Priscilla salad, Alden  
dressing, Plymouth cream Brew-  
ster cake, Tequantum bonbons.  
Attractive menu cards and bon-  
bon boxes carried out the "Pil-  
grim" idea.

Dean G. H. Scott as toastmas-  
ter after speaking briefly on the  
subject "What the Legion Means  
to the Church School" called on  
Able Lee Young who responded to  
the toast, "Pilgrims of 1620."  
Caroline Doane responded to the  
toast, "The Rock," and James  
Merrill, "The Goal." Mr. Stick-

ney then spoke on what the Leg-  
ion could mean to the church and  
what it did mean to him person-  
ally as pastor of the church. Fol-  
lowing this a number of "Pil-  
grim" games were played. Mrs.  
L. B. Milligan and Miss Emma  
Daniels were the committee in  
charge.

## NOTICE!

FISH VIOLATION  
CASE BROUGHT HERE

Justice Opperman Hears Case Friday—Verne Walters Found Guilty and Fined \$25 and Costs.

Justice Opperman heard a case of unusual interest in his court Friday afternoon. It was that of the ePeople against Verne Walters and Lee Bowman charged with violating the game and fish code.

The case was brought here from Concord and Judge W. H. Deitrich represented the defendants and States Attorney Carl Robinson represented the people. The defendants were charged with furnishing fish shorter in length than allowed by law for the M. E. church fish fry at Concord. The alleged violation occurred August 10, 1921.

The court dismissed the case as to Bowman and evidence was taken against Walters. Six witnesses appeared for the people and Walters made no defense. After hearing the evidence the court assessed a fine of \$25 and costs.

UTILITY BUSINESS  
BELONGS TO PEOPLE

Interesting Service Facts Presented Before Rotary Club by E. H. Gray, General Manager of Jacksonville Railway & Light Company.

E. H. Gray, general manager of the Jacksonville Railway & Light Co., made the address at the Friday luncheon of the Rotary club held at the New Pacific hotel. It was an address which the Rotarians heard with interest and which gave ample proof of Mr. Gray's understanding of the business to which he has devoted the greater part of his life. Mr. Gray sought to lay special emphasis upon the thought that the utility business is really the people's business, and that there is advantage to a community in having its utilities a part of a large system.

The speaker mentioned incidentally the plan of the local company to enlarge the storage facilities of its ice plant from 500 tons to about 4,000.

In the earlier part of the session Vincent Riley introduced as guests of the day E. A. Beach of St. Louis, Mr. Conlee, superintendent of highways of Macoupin county and Fred Darr of Jacksonville.

It was an interesting incident when Frank Byrns on behalf of the Rotarians presented a bouquet of roses to Dr. Joseph R. Harker. Just as the Rotarians assembled some of them learned by chance that today, October 1, marks the 50th anniversary of the date on which Dr. Harker came to the U. S. to begin his work as a miner.

Mr. Byrns spoke of the large place that Dr. Harker has in the community and the regard that his fellow Rotarians feel for him.

Then Dr. Harker voiced his pleasure over the recognition and sketched briefly the earlier days of his life after beginning work in the mines at Duquoin. Mr. Beach of St. Louis, one of the guests of the day, is a singer of some renown and sang "A Perfect Day" with fine effect. Mr. Wesner was the accompanist.

Growth of Utilities

Mr. Gray in beginning his remarks presented some interesting facts about the growth of utilities. The telephone is 44 years old and has been generally used since 1879. Now the wire used by telephone companies totals 33,000,000 miles, enough to encircle the world 1400 times. There is a telephone for every seven persons in the U. S. with over 15,000,000 in use.

Electrical railways began at Richmond, Va., in 1888. That was 33 years ago and today 55,000,000 people or practically half in the country are served by electric roads, which represent an investment of five and a half billion dollars and give employment to 350,000 people.

The electric light was invented in 1879. That is 42 years ago, and today there are 6544 central stations. There are 1024 gas companies in the U. S., serving 45,000,000 people, with 800,000,000 cubic feet of gas passing annually thru 70,000 miles of mains.

In this state there are 240 central power stations 90 street railways and 75 gas companies, with an investment of \$1,054,603,000. There are 230,000 people who own stocks and bonds in these companies and 85 per cent of them live within the limits of the state.

These utility companies today employ 192,000 people, who have 600,000 dependents. Notwithstanding the stupendous business which is now being done, the companies of Illinois to meet the additional demands for service will need to spend \$125,000,000 a year for a period of five years.

Group Advantages

There are distinct advantages to any community in having its utilities owned by a large system. One of the greatest benefits is the fact that a large system can maintain an engineering department of a quality which would not be at all possible for one separate plant. Thru a high class engineering department there come economies in operation and various other distinct advantages which are for the interest of the people served.

Whatever efficiency in operation is secured is in reality for the benefit of the patrons of the plant. The larger system thru its purchasing department also brings economies to the separate plants which would not be possible if all were operated separately.

Mr. Gray then referred to the financial backing which comes thru associated enterprises and said that it would not have been possible for the local utility to have operated thru the war time had it not been for the financial assistance that was given by the Illinois Traction System.

The speaker then explained some of the equipment and the mechanical devices that are a part of the local plant, all of which tend toward increased efficiency and economy in operation. He mentioned the business of utility companies is really the business of the people and said that the public is welcome to all the facts, the books and records of the company here are open to the public and that complete information with reference to all the utilities companies of the state is on file with the state commerce commission and open to the public.

The Best Relationship

In concluding his informing address, which was necessarily shortened by the brief time allotment, Mr. Gray voiced this statement as expressing the right relationship between public service companies and the public:

"A permanent solution of the difficulties confronting public utilities can be achieved only when the people come to realize that the public service business is the people's business, not only from their direct or indirect financial interest therein, but from the standpoint of comfort, progress and prosperity of the communities served."

CLUBS AND SOCIETY

L. W. C. Students to Lake Matanzas

The students of the Illinois Woman's College are planning a gay week end. For the juniors and seniors the week means the annual trip to Lake Matanzas. A crowd of eighteen seniors and twelve juniors will leave this afternoon to spend the week end at the lake.

The senior girls will occupy the Idle Wild cottage and will have as chaperone Miss Mary Johnson, the class faculty advisor. The plans for the trip are in charge of committees. For the seniors Marion Munson, assisted by Mary Ellison and Jane Muse will prepare the "eats" for the trip. The transportation committee includes Ada M. Clotfelter and Viola Langerich.

Jennie Lacey, Mary Rose Adams and Carmen Dugger have charge of packing the senior trunks. The juniors will camp at the Elsinore cottage and will be accompanied by Miss McLaughlin, the class advisor. The junior eats will be planned by Flo Dikeman, assisted by Dorothy Smith and Ada Foster. The junior transportation committee includes Eloise Calhoun and Grace Styles.

This annual Matanzas trip is one of the most important college events and affords one of the best real "good times" of the year.

While the juniors and seniors are at Matanzas the freshmen are to be entertained by the sophomores at a dance and party in the gymnasium tonight. The affair will start at 7:30 and all the Freshman girls will be the guests of the evening. The first part of the program includes a number of clever stunts put on by the Sophomores. The last part of the evening will be devoted to dancing, the music furnished by a five piece orchestra from the School for the Blind. The decorating of the gym is in charge of a committee chairmaned by Esther Purl. The entertainment committee has as chairman Margaret Sturgeon and the serving of excellent refreshments is being planned by Helen Bailey assisted by five other girls.

Philathea Circle Closes Contest With Unique Party

A most unique and entertaining social affair was given last evening as the end of a membership and attendance contest which has been carried on by the members of the Philathea Circle of the Central Christian church. The party was given by the members of the division led by Miss Ruth Henderson, which by a small margin lost to the side led by Miss Margaret Goffman.

The losers planned a most interesting party for their guests in the form of an indoor camping party. Fishing in the form of a guessing game; a swimming contest; a walk thru the woods (the names of the woods being announced by placards) and shooting at a target with bean guns cleverly carried out the usual camping sports.

The most merriment was afforded however by a "Mock Wedding." One of the rooms of the church basement was arranged like a church with aisles, altars and other wedding appointments. Miss Harriett Davis was the bride Miss Ruth Henderson the groom, and the mock ceremony was performed by Miss Ethel Shortridge, as the pastor. Miss Eva Abernathy sang "I Love You Truly."

Miss Pearl Jewsbury played the wedding march from "Lohengrin." Following this stun, a regular wedding supper was served with a bride's cake and other delicious things to eat. There were forty members of the class present and the affair was a great success in every way.

Hosts at Dance Given at Peacock Inn.

Mr. and Mrs. Walter Martin of West Lafayette avenue, gave a delightful dance last evening at the Peacock Inn in honor of their daughter, Miss Martin. There were about forty guests present and the hours from seven thirty until ten were most pleasantly spent with dancing. The blue room where the affair was given was attractive with fall flowers and during the evening several pretty favor dances were given. A delicious little supper was served late in the evening. Mr. and Mrs. Clarence York assisted in the entertainment.

Informal Dance in Honor of Young Ladies.

Mr. and Mrs. E. H. Doolin entertained at an informal dancing party last evening at their home on North Church street in honor of their daughter Miss Bernice and their niece Miss Clara Doolin. The latter is planning to leave soon to make here home in Minneapolis, Minnesota. Dancing and games filled a very pleasant evening for the thirty six guests who were present. Attractive refreshments were passed during the evening.

Hostess to Club.

Mrs. M. A. Peckham was hostess to the members of her club yesterday afternoon at her home on South Mainvalterre street. This was the regular monthly social of the club and games, conversation and delicious refreshments contributed to a very pleasant afternoon. Mrs. Russel McAllister and Mrs. Ann Abel Curtis were guests at the affair. The other members of the club are Miss Marie Megginson of Woodson, Mrs. Olla Smith, Mrs. Meda Goacher, Mrs. Myrtle Riggs, Mrs. Lella Riggs and Mrs. Grace Biggs.

John Laurie Given Surprise on His Birthday

John H. Laurie Jr., was the guest of honor at a very pleasant surprise party last evening at the home of his parents Mr. and Mrs. John H. Laurie, north east of the city. The young man's school mates from the Sherman school came to his home and gave him a complete surprise. They brought with them good things to eat and after

Epworth League Had Wiener Roast.

The Epworth League had a wiener roast and social at Ebenezer last night with a happy crowd of 60 or more present. A huge bonfire was built and the wieners were roasted and everybody enjoyed a fine time. After the roast the following program was given in the church.

Rosa Bracwell gave several piano solos, and Miss Pearl Dewese also performed upon that instrument. Miss Ruth Dewese gave a vocal solo which was followed by a violin selection by Edmund Dinwiddie. The program was concluded with several readings by Miss Edna Bracwell.

Mission Circle of Litterberry Meets

The Baptist church Mission Circle of Litterberry met with Mrs. Warren Daniels yesterday afternoon for the regular monthly meeting. The afternoon was spent sewing on a quilt which the members are making, and the transaction of business. During the afternoon the hostess served delicious refreshments.

Several guests from Litterberry were present, Mrs. Al Dunlap, Mrs. F. W. Bergschneider, and Mrs. Scribner. The next meeting will be with Mrs. John Guy on the last Friday in October.

Mrs. Gibson Is Given Miscellaneous Shower.

Mrs. Robert Gibson was honored by a miscellaneous shower at the home of Mrs. W. T. Scott at the close of the meeting of the Pisgah Presbyterian Missionary society Thursday afternoon. Mrs. Gibson, who was married a short time ago, received many lovely gifts.

The program of the afternoon began with the devotional service led by Mrs. Holmes. A paper "Go to the Mountains and Serve" was read by Mrs. Amy Smith and Mrs. Drury and Mrs. Swinger had articles on foreign fields of work. The hostess served delightful refreshments. The next meeting will be with Mrs. Frank Drury and her daughter, October 29th.

Mrs. H. J. Wright Is Hostess to Club Members

Mrs. H. J. Wright entertained the members of her club at her home on South Clay avenue Friday afternoon. The hours were spent in sewing and in the evening the members were joined by their husbands for a wiener roast in the yard of the Wright home. Altogether it was a very pleasant social event and one which those present will long remember. The company included Mr. and Mrs. Paul Wilkinson, Mr. and Mrs. Harvey Sandberg, Mr. and Mrs. Henry Ricks, Mr. and Mrs. Harold Wright, Mr. and Mrs. R. B. Millburn, Mr. and Mrs. Clarence Siegfried. Guests of the occasion were Miss Vivian Skinner and Fred Lynn.

A NICE GIFT TO THE OLD PEOPLE'S HOME

Thru the trust department of the Farmers State Bank and Trust Company of this city the National Benevolent Association of the Christian church has just been paid fourteen thousand dollars for the use and benefit of the Old People's Home of this city.

A number of years ago an elderly man living in a distant part of this state placed in the trust department of the Farmers State Bank and Trust company a well secured real estate mortgage note for fourteen thousand dollars under a trust agreement whereby the trust company was to pay the annual interest on said sum after the death of both to turn the principal over to the National Benevolent Association.

The donor died not long since and the death of his wife occurred several years ago. In accordance with the terms of the trust, the principal has been turned over to the National Benevolent association as beneficiary in perpetuity for the use and benefit of the Old People's Home.

JOY RIDERS TAKE AUTO

The Ford sedan belonging to H. J. Rodgers was taken from in front of the Grand Opera house last night, but after an hour's search it was found in an alley near the theater. Mr. Rodgers immediately notified the police department and it was first thought that the car had been stolen. The probability is that some one took it and enjoyed a "joy ride" and returned too late to put the car back in its original location.
